

# YOUR CONTRIBUTIONS SUPPORT EL CHARCÓN

Your orders of Equal Exchange products (which make great gifts!), support sustainable agriculture in developing countries while raising some money for our projects. Donations and gift cards keep us afloat. With community support - your support - we will continue to meet our commitments to the young people and community leaders in and around El Charcón.

**Here's what your contribution can do:**

- [\$20] provides a student 1 month's worth of scholarship support.
- [\$40] provides lunches for 20 participants in a Youth Project workshop.
- [\$50] produces informational materials on environmental issues.
- [\$100] pays for an Environmental Cleanup Day in El Charcón.
- [\$200] covers a full scholarship for one student.

**Please use the enclosed envelope to return the form below with your tax-deductible contribution, gift card information and your Equal Exchange order. Thanks!**
